Date:- 13/01/2020

To Whomsoever It May Concern

Date of School Building's Inspection: 13.01.2020

This is to certify that New Yashoda Public School, Urban Estate-2, Hisar was constructed from 1984 to 2004 in phases and as such are old Structures. The Block constructed during 2004 was Architecturally and Structurally designed by my office keeping all the provisions confirming to IS 1893 Indian Standard Criteria for Earthquake Resistance Design of Structure. The Buildings Existing were inspected on 12.01.2019 in respect of Structural Stability and Structural Cracks etc. and found to be safe structures in event of Earthquake as per the intensity of zone (Zone – IV), as there are no structural cracks in any of the Existing building in the New Yashoda Public School campus.
